

The Ilsleys Primary School

Dear Parents/Carers

As you will be aware, from 1st January 2018, Hampstead Norreys Church of England Primary School and the Ilsleys Primary School are working together as a formal Federation of the two schools.

Under this arrangement, a single Governing Board has been formed to perform the functions of:

- Ensuring clarity of vision, ethos and strategic direction
- Holding the Headteacher to account for the educational performance of the school and its pupils; and
- Overseeing the financial performance of the school and making sure funding is well spent.

The Board met for the first time on January 11th to formalise the arrangements and establish the structure, as detailed below.

We anticipate that at the next Governing Board meeting we will also appoint a Local Authority nominated Governor.

We are confident that the new Board brings together a range of very experienced and skilled volunteers to continue the great work that started under the collaboration of the two schools. Should you have any questions for us, please contact either of the school's offices, marking any communication for the attention of the Chair of the Governing Board.

Yours,
